In-ground Pool Opening Contract for:

Name _____ Date Scheduled: _____ 2021

Address _____

City _____

Day of Service Contact and Number: _____

Inground Pool Opening Service

Start

- \$240.00 Standard Pool Opening NO COVER or customer removes cover: FILTRATION SYSTEM AND POOL EQUIPMENT ONLY :** Kasper's will: Reassemble filtration system and All pool equipment, start up filtration system, and attempt to fire heater. Any re-connection of hard-wired motors will require an additional \$45 charge for each motor. Spa/Waterfall booster pumps require a \$45 charge each for setup. Minor filter repairs are included in service. Major repairs will require a separate visit, and service charge. Any parts needed will be separately billed. **(Make sure your pool is filled to mid-skimmer before we arrive. We can only start up pools that are properly filled. If we must return because the pool was not full, we will charge an additional minimum \$85 for any return visits.)** Pool cover must be off pool and deck prior to our arrival unless you choose one of our Pool Cover Services in the next section.

Step 1

Pool Cover Services *Please choose one option*
Kaspers can make opening your pool easier by removing and cleaning your pool cover at an additional cost listed below

- \$125.00 **Remove and clean mesh safety cover.** This type of cover is the most common pool cover. These covers allow water to pass through, are tight fitting, and anchored to the deck with brass anchors and stainless steel springs.
- \$164.00 **Remove and clean solid safety cover.** This type of cover is also common in our area. Solid safety covers with or without drain panels are tight fitting and anchored to the deck with brass anchors, and stainless steel springs.
- \$301.00 **Remove and clean solid cover.** Solid covers are non safety covers that collect water and debris, usually kept in place by water tubes, cinder blocks or some heavy objects. Services include up to 1/2 hour of cover water/leaf removal. If the pool cover contains excessive water and/or leaves, there will be a separate pumping charge of \$45.00 per 1/4 hr.
- Customer removes cover** from pool and the pool deck. This option allows the customer to save money by removing the cover the day before Kasper's technicians are scheduled to reassemble the pool and filtration system. Kaspers does not remove, clean or fold pool cover. Kaspers does not recess brass anchors into deck.
- I do not know what type of cover I have,** however, I still want Kaspers to remove and clean my cover and bill me for it

*Above Ground Pool Opening

- \$345.00 Remove, clean and store cover. Reassemble filtration system. Water level MUST be half way up skimmer in order for start up. Any white goods (skimmer, inlet) or hoses in inefficient condition will be replaced at retail prices. Start up chemicals will be added at the charges listed below.
 ***\$100 credit if customer removes cover themselves

Step 2

Spring Start up Chemicals *Please choose one option*
(default choice is ADD CHEMICALS)

- DO NOT ADD ANY CHEMICALS. Customer takes responsibility for water treatment.
- OR-
- ADD CHEMICALS. Customer Authorizes Kaspers Aqua Clear Inc to add initial dose of start up chemicals and understands that additional applications may be necessary depending on water condition. Any additional applications are the responsibility of the customer.

Start up chemicals are supplied as needed for your pool size if requested by checking ADD CHEMICALS. We will supply any or multiple of these chemicals at our discretion, depending on the condition of your pool's water. Rest assured, we will NOT supply what you do not need. Additional doses may be necessary and are the responsibility of the customer. Chemicals are separately billed as follows:

***Price on opening chemicals to be determined

Signature Required on reverse side

TERMS AND CONDITIONS

- Customer shall provide a water discharge area within 200' of swimming pool. It is illegal to discharge water containing chlorine and some algacides into storm drains that lead directly to rivers, streams, creeks or other natural bodies of water. Kaspers will not knowingly discharge into such drains and reserves the right to refuse customers request to do so. Damage done to neighboring property or fines incurred due to runoff from the customer approved discharge area is the financial responsibility of the customer.
- Service technicians must have access to a water supply (garden hose) and 110V electrical outlets within 50' of work area.
- Kasper's assumes no responsibility for the tearing of any cover caused by winter damage or normal removal procedures. Kaspers assumes no responsibility for pool equipment failure or damage caused by age, fatigue, or normal wear during the reassembling process. Kaspers reserves the right to refuse to install or operate any pool equipment that is deemed unsafe by our technicians. This includes but is not limited to diving boards, ladders, handrails, and heaters.
- DOGS: In the interest of safety for our technicians and your pets, Kasper's requires that owners do NOT leave their dogs out loose in the pool area while our technicians are on site Kaspers reserves the right to stop work until the pet is secured.
- CHILDREN: In the interest of safety, Kaspers requires that no unattended children be allowed in the work zone while our technicians are on site or after our technicians leave if the work requires multiple days.
- GATES AND FENCES: Customer must provide latching gates in good working order. Locked gates that can not readily be unlocked and stops Kaspers Technicians from completing the service call requested and requires a return visit will be billed for both service calls. Gates and fences in disrepair are not the responsibility of Kaspers Aqua Clear Inc. or its representatives.
- Any permits required for the disposal of water must be obtained by the customer prior to beginning work. The water discharge area cannot violate any township ordinances. If any fines or damages are incurred because of where we are directed to discharge the water, the owner agrees to accept responsibility and pay for such costs. The customer shall provide fresh water for pool cleaning and filling. **NOTE:** If there is an excessive amount of leaves or debris (more than 3 garbage cans) an additional charge of \$47 per can will be made.
- Kasper's will not be held responsible for any damage to lawns, shrubbery, or landscaping caused by discharging pool water and its contents for purposes of cleaning, painting, or repairing a pool, or the backwashing or cleaning of the filter system.
- Opening services will not be performed unless your account is current. Should it be necessary for us to obtain legal representation and or institute suit for collection, the owner agrees to pay in addition to the amount due, interest thereon and all attorney fees and court costs.
- You, the pool owner, may cancel this contract, IN WRITING, up to 24 hours prior to work being scheduled, but pool owner understands that all deposit monies will be forfeited. See Notice of Cancellation, attached, for an **exception** to this contract condition.
- Balance of payment for all services and supplies is due upon completion of work. All accounts not paid in full within 30 days will incur a service charge of \$25.00, accounts past due 60 days will be submitted to a collections agency.
- **This agreement becomes valid upon Kasper's receipt of a properly signed and dated copy, accompanied with the required deposit**

Your acceptance of this contract by signature below, and return of original copy to our office with the required deposit will constitute a contract entered into in accordance with the terms and conditions stated above and on the opposite side of this paper. Kasper's, upon receipt of a valid contract, agrees to service the swimming pool/spa for aforementioned owner who agrees to pay for the service outlined above and in accordance with the terms set forth in this contract.

You, the pool owner, may cancel this contract at any time prior to midnight of the third business day after the date of this transaction (the date you affix your signature). See the attached notice of cancellation form for an explanation of this right.

Step 3

→ By _____ Date _____
Authorized Signature

DEPOSIT
